Harmony School of Discovery

Dear HSD Students, Parents, and Guardians:

Our students have been given the opportunity to use a wide variety of technology in the classrooms this school year. Our teachers are using smart boards and document cameras to help enhance learning, as well as 3-D TV's and Video Systems being purchased to help encourage our students and to show them our appreciation of them.

In our English classrooms, students will now be able to use an e-reader. The Nook E-reader is a device that can carry numerous book titles and allows students to view books in new ways. We will be collecting \$30.00, non-refundable, for the cost of the warranty. Once the warranty is purchased, the student will have possession of the Nook for the remainder of this 2011-2012 school year. Students in grades 6-9 will be able to use the Nooks at this time.

Each student will have the opportunity to choose 10 initial titles from the ELA Nook list. This list is just a starting off point- students may select books that are not on the list, but please make sure the book is a nook title and that parents are still signing their consent for those books. Students may earn more titles by showing: positive reading behavior and taking and passing AR tests. Students may also purchase titles through our school. Book title forms will be available at the front desk- all titles must be approved by the student's English teacher and Mrs. Glover, our reading interventionist. There will be an updated list of book titles on our database, as well as other Nook information and resources.

The Katherine Tyra Branch Library off of Clay road has partnered with our school to help the students use their Nooks even more. Students with a library card from this library will be able to upload books onto their Nooks for up to two weeks. Library forms will also be located at the front office and at the library.

It is our hope that the E-Reader will help engage our students and give them more ways to help them become life-long readers.

I acknowledge that as part of my student's responsibility at Harmony School of Discovery, I have been issued the following equipment to be used in connection with my enrollment:

Student Name	Brand/Model	Serial #	Date Received	Parent Signature	Date Returned	Officer's Signature

I acknowledge that I am responsible for the care and safety of this equipment. I also understand that this equipment does not belong to me, and that I am responsible for returning the above equipment to Harmony upon request or at the end of my enrollment year. Harmony School of Discovery will be collecting a \$30.00 non-refundable warranty. This warranty will be collected each time the equipment needs to be fixed or replaced. Harmony School of Discovery is not responsible for any lost or stolen equipment. I agree that I am responsible for reimbursing Harmony for any loss to the equipment that I have caused or for which I am otherwise responsible (\$131.00 for the Nook E-Reader). Please make checks payable to: Harmony School of Discovery
